POSTAL REGULATORY  
COMMISSION  
DO NOT RE-OPEN

Mr. Michael M. Kubayanda  
Chairman

Dear Mr. Kubayanda and Distinguished Members of the PRC,

I was in absolute shock when I saw Mr. Louis DeJoy's next plans for the final destruction of the United States Postal Services. Since Mr. DeJoy became the Post Master General it became very obvious that his interest was not to improve, but to destroy the mail services as much as possible. It is a well known fact that he ordered million dollar sorting machines destroyed, mail delivery delayed and other harmful politically motivated intentions. How he was allowed to do so much harm in such a short period of time is absolutely incredible. What other evil plans does Mr. DeJoy have for this great American institution? Its total and final destruction? I believe that people have the right to have the United States Postal Services which have existed for centuries and fared far, far better before Mr. DeJoy started to destroy it and made sure that it started working as inefficiently as possible.

Please do not allow Mr. DeJoy's horrible 10 year plan for the final demise of a great American institution to go into effect. Please do not be part of the irreparable harm it will do which is obvious to everyone who has seen what is in Mr. DeJoy's mind.

Thank you.

Sincerely,

Wictoria Wakulowska
